For group portraits, the first figure is full price and additional figures are 25% less. The paper or canvas of a multiple figure painting is enlarged to accommodate, if necessary. Complicated background or clothing detail, or addition of pets will add to the price of the portrait.

All travel, framing, shipping, and taxes if applicable are not included and will be quoted upon request.

A deposit of 50% is due to begin the work, with the balance due upon completion and acceptance of the finished portrait. Work will be completed so much as possible to comply with client time requirements, and an estimate of the delivery time will be given when the terms and specifications of the painting are firm

Prices for miniature portraits are quoted upon request.
